

Happy American Education Week

November 12-16

This week, we are celebrating American Education week and are inviting you to join us.

Monday: I love school!

Students and teachers will be creating a graph about school!

Tuesday: We are thankful for our community.

Please come to school on Tuesday and have lunch with your child.

Wednesday: Great Educators inspire us to continue learning and reach our dreams.

Wear your favorite college gear!

Thursday: We are thankful for our staff!

Encourage your child to write a thank you note to their teacher and other staff members. You can use the apple that is attached. If you need additional apples, they are in the front office.

Friday: Dress like your favorite educator!
